

Brendo and Rhianon will head to North East Victoria this weekend for a busy few days of speaking engagements, spectating and competing.

Their weekend gets underway on Friday night (December 4) in Wangaratta when they will attend the North Eastern Car Club's Christmas dinner where they have been invited to be guest speakers. Brendo and Rhi will give a presentation to club members on their rally careers so far and will have Brendo's Subaru STI on show for all to see.

On Saturday, the pair will head to Mount Buller for the popular Mount Buller Sprint. Whilst not competing this year, Brendo and Rhianon will spectate at the popular tarmac event and will catch up with friends and fellow competitors.

The competition part of the weekend will take place on Sunday when they head to Shepparton for the Shepparton Autocross. Brendo has competed in numerous autocrosses over the years and is looking forward to the season-ending 'Shepp' event.
