

**2009 has been a busy year for Rhianon and I with lots of great results. Highlights for me included Targa Tasmania, our wins at Rally Lithgow and the Akademos Rally, finishing third outright in Rally Whangarei, the Asia Pacific Rally Championship round in New Zealand, and winning the Pirelli Star Driver title at Rally Queensland in May.**

We are preparing for another busy year in 2010 and are planning on competing in Australia and overseas to add to our international experience. Hopefully we will be able to announce our plans early in the new year, so watch this space!

Once again we have had fantastic support from our sponsors, and I am really appreciative of the faith they have put in me. I am looking forward to working with them all again in 2010.

I'd also like to thank all our supporters who keenly follow our rally results. We were both overwhelmed by the number of messages and phone calls we received after our accident at Rally South Australia in August. It was great to know there were so many people thinking of us, especially Rhianon as she went through her long recovery process.

I hope you and your families have a fantastic Christmas and a great year in 2010.

Merry Christmas,

***Brendo***
