

Brendo and Rhianon are very excited to announce that they will be competing in this year's Pacific Cup Rally Championship.

The Pacific Cup consists of three rounds of the Asia Pacific Rally Championship and starts with Rally Whangarei in New Zealand from July 2 - 4. Rally Whangarei is also a round of the New Zealand Rally Championship, and both Brendo and Rhianon have competed in the event for the last two years. In 2009, Brendo finished third outright in the rally driving a leased car.

The brother and sister pair will then head to Queensland on July 30 for Rally Queensland, a round of the Australian Rally Championship. Brendo and Rhianon have both competed in this rally in 2007 and 2009, and in 2009 Brendo won the Australian Pirelli Star Driver title at this event.

The final round of the Pacific Cup Rally Championship will take Brendo and Rhi to New Caledonia from August 27 – 29 for Rally New Caledonia. Neither of the pair have ever competed in New Caledonia and are very excited about expanding their international careers to another region.

Brendo will drive his Subaru Impreza WRX STI in all three events.

Brendo and Rhianon would like to thank Bendigo Tyre Centre, Rallyschool.com.au, Barrie Smith Motorsport, Reeves Earthmoving, Molecule, Nanda and Vetta for their continued sponsorship. Without these sponsors our dreams of contesting an international campaign would not be possible.
