

Brendo and Rhianon have convincingly won Rally New Caledonia, round 5 of the Asia Pacific Rally Championship, with a faultless run on today's final six stages. The pair were never challenged after taking a 2 minute and 6 second lead into today's Leg 3, despite backing off a little today to ensure victory. It was the perfect way for Brendo to celebrate his 22nd birthday today.

More news, and Brendo's quotes, to follow soon.
