

The Acropolis Rally, round two of the 2012 World Rally Championship (WRC) Academy, will be the 50th rally together for Brendan and Rhianon.

The brother and sister's rally career has so far included everything from club and State Championship events to national, Asia Pacific and World Championship rallies. They have also proven their talent on tarmac, with excellent results in Targa Tasmania and Targa Wreath Point.

For a young team, 50 rallies together is a huge achievement, and with big goals, Brendan and Rhianon's rally career is only just beginning!
