

With Rally Finland fast approaching, Brendo would love to give his fans a great opportunity to fly high with he and Rhi as they take on their most loved WRC on the Academy calendar - Rally Finland.

If you want to experience the joys of Rally Finland, Brendo has a great opportunity for 20 of his fans to have their names on the bonnet of his WRC Academy Ford Fiesta R2.

For \$200 your name will be clearly featured on the bonnet of the car and you will receive a signed photo of the car to keep forever and hold onto proudly.

This is limited to 20 places at \$200 and it will be on a first in best dressed basis. All funding will be used to allow Brendo and Rhi to test in a Ford Fiesta R2 in Finland prior to the event and give them the best possible prospect for a great result.

So email Rhianon on [rhirally@gmail.com](mailto:rhirally@gmail.com) and get your spot booked on the bonnet and support this great young team in their ambitions of winning the 2012 WRC Academy.

Check out the photo attached of Brendo and Rhi's bonnet from Rally Oz 2011 with great supporters names.
