

Brendan and Rhianon have recorded the fourth fastest time on today's Power Stage of Coates Hire Rally Australia in their RallySchool.com.au Mazda2. After two qualifying runs on the stage this morning, the top five fastest drivers then ran the stage again with the aim of recording the fastest time and earning bonus points in the 2013 ECB Australian Rally Championship (ARC). The Power Stage was won by Eli Evans (Honda Jazz).

Round five of the ARC gets underway tonight with two Super Special Stages to be held at Brelford Park in Coffs Harbour before the crews travel south to the Nambucca area for the first of three days of full-on competition.
