

After the opening two stages of the Quit Forest Rally in Busselton tonight, just 1.1 seconds separates Brendan and Rhianon and their RallySchool.com.au Mazda2 from Scott Pedder/Dale Moscatt. Pedder brought his Renault Clio home in first place on both runs of the 2.53 kilometre tarmac stage, winning the first run by 0.9 seconds and the second by just 0.2 seconds.

With eight gravel stages awaiting tomorrow, Brendan is looking forward to a tight battle with Pedder and is confident he can repeat his winning form from Canberra where he won both Heats of the first round of the ECB Australian Rally Championship.
